Library Hours:

Due to the Emergency Measures put into place because of the COVID-19 virus, the library will be closed until further notice. We will continue activities as soon as possible.

Stay safe everyone!

I have been getting a lot of questions about City Wide Cleanup... with everyone home, there is a lot of extra house reorganization going on! City Council did bring it up at our last meeting but a date has not been set yet. Obviously, it will need to be later than usual, but as soon as we can get a date set up, we will give you plenty of notice.

REMINDER: Please DO NOT flush paper towels or any other products not intended to go through the sewer system. It could cause backups into your basements...and would be an expensive fix! Thank You!

Thanks to all of our residents in the City and surrounding area for your cooperation during this stressful time. And for Deb, Jason & Tammy, Nick & Anna, Mandy and Jessica for volunteering to help out where needed. We haven't really had many calls for assistance, which tells me that neighbors are watching out for each other. Thankfully, we have not had any reports of the virus in our immediate area. Let's keep it that way by continuing to be proactive by observing the social distancing and wearing the appropriate protective gear when needed. It is awesome to know that our small but mighty community is working hard to meet the needs of others...we are a community with heart. Blessings to you all!
