**!! City Wide  
 Cleanup !!  
 Sat., June 27th**

We have a date set for  
 City Wide Cleanup!

Please check out the details on the back of this newsletter. You will be able to start setting out your items the previous Sunday (June 21). Waste Management starts pretty early in the morning so you may want to be sure things are out Friday night. They also have the right to refuse any items so if anything is left behind, you will be responsible to clear it off before Monday. This is a great opportunity to clean up your property, and in turn, our community.

**HALFWAY TO ST. PADDY'S DAY**

At the last Halfway to St. Paddy's Day Meeting, held on May 11, 2020, The Kilkenney City Council had to make the hard decision to cancel this year's celebration. With too many unknowns, they are not willing to risk the lives and health of our citizens or visitors. It is very disappointing, but we are looking forward to having a spectacular celebration next year!
