LEAD AND COPPER TESTING FOR DRINKING WATER

Thank you to all the residents who have already filled out their survey and returned it!

Please fill out the IMPORTANT SURVEY and returning it back to the city office. You may drop off your survey during office hours, place in the water bill drop box, or mail to PO BOX 135.

In July, I will be going door-to-door to complete unfinished surveys. I will need access to the water meter.

If you have any questions or need help, don't hesitate to contact me.
